GOKILA D

Aspiring Data Analyst

+91 93618 63150 | Coimbatore, Tamil Nadu
gokilavenkatesan814@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Aspiring Data Analyst skilled in Python, SQL, Excel, and Power BI, with hands-on experience in data cleaning, analysis, and dashboard development. Detail-oriented professional with experience in production data management and a strong interest in transforming data into actionable insights.

TECHNICAL SKILLS

Programming Languages: Python, MySQL
Python Libraries: Numpy, Pandas, Matplotlib, Seaborn
Data Analysis & Visualisation Tools : Microsoft Excel, Power BI, Tableau
Techniques: Data Cleaning, Data Modeling, DAX, EDA, KPI Tracking, Dashboard Creation, Statistical Analysis

PROJECTS

Diabetes Health Risk Factors Analysis – Python & Power BI [GitHub]

- Cleaned and transformed **5,000 patient records** using Python and Pandas, handling missing values, standardizing data, and creating analytical groups for glucose, insulin, BMI, and age.
- Performed EDA across **10+ clinical and lifestyle factors**, including glucose, insulin, BMI, age, heredity, exercise, diet, smoking, alcohol, stress, and sleep to identify patterns associated with diabetes status.
- Developed interactive Power BI dashboards to compare **3 diabetes status groups** (diabetic, non-diabetic, and unknown) and visualize relationships between health, demographic, and lifestyle factors.

Social Media Analytics – MS Excel & Power BI [GitHub]

- Cleaned and transformed social media data in Microsoft Excel, handling missing values and preparing data across multiple platforms, regions, languages, content types, and topics.
- Created DAX measures and data models to analyze 4+ engagement metrics across platform, content type, language, region, topic, and monthly sentiment trends.

CERTIFICATIONS

Certification in AI-Driven Data Analysis Mar 2026 – Sep 2026
Entri Elevate In Collaboration with Illinois Tech, US

- Completed hands-on training in Python, SQL, Excel, and Power BI through real-world data analysis projects.
- Analyzed datasets through data cleaning, exploratory analysis, visualization, and dashboard development.

Certification in Python | Grade: A [Github] Jan 2024 – Mar 2024
Computer Software College (CSC)

- Completed practical training in Python programming, covering functions, OOP, file handling, and data processing. Developed Python-based programs to automate tasks and solve practical programming problems.

EXPERIENCE

Data Entry Associate Coimbatore, Tamil Nadu
Adwaith Lakshmi Pvt Ltd Aug 2026 – Present

- Updated daily Confectionery production records in ERP software and maintained accurate records in Excel.

Production Associate Chennai, Tamil Nadu
Foxconn India Pvt. Ltd. Jun 2024 – Feb 2026

- Maintained daily production records, monitored production status, and ensured data accuracy.

EDUCATION

- **Bachelor of Science in Mathematics | Grade: D+** Karaikudi, Sivaganga
  Alagappa University Jun 2021 – May 2024
